

# تایمر امرن

مدل H3CR-A8 AC24-48/DC12-48

تایمر امرن

|                       |                                                                                                                                                               |
|-----------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Type                  | Analog                                                                                                                                                        |
| Installation type     | Socket                                                                                                                                                        |
| Functions             | Multi-functional                                                                                                                                              |
| Size                  | 1/16 DIN (48 x 48 mm)                                                                                                                                         |
| Terminal type         | Plug-in                                                                                                                                                       |
| Operating mode        | Flicker OFF Start (Power ON Start), Flicker ON Start (Power ON Start), Interval (Power ON Start), ON Delay (Power ON Start), One-shot Output (Power ON Start) |
| Output type           | Relay                                                                                                                                                         |
| Contact description   | DPDT                                                                                                                                                          |
| Time range            | 0.05 s - 300 h                                                                                                                                                |
| Supply voltage AC     | 24-48 V                                                                                                                                                       |
| Supply voltage DC     | 12-48 V                                                                                                                                                       |
| Number of pin contact | 8                                                                                                                                                             |
| Inputs                | No-voltage                                                                                                                                                    |
